A note from Alex Bast-Boverhoff

**Managing Director of
Bridgewater Home Care**

Welcome to the fifth edition of the Bridgewater Bulletin.

As we step into a new year, it's inspiring to reflect on all we've accomplished over the past 12 months. At the start of 2024, we were a newly established company, having only recently secured our CQC registration.

Since then, we have proudly positioned ourselves as a trusted provider of high-quality, personalised care, committed to supporting the physical, social, and emotional well-being of our clients. This dedication has been recognised with the incredible achievement of being named one of the top 20 home care providers in the East Midlands by homecare.co.uk.

The Bridgewater team has grown significantly, welcoming new Care Specialists who bring a wealth of experience and personality. Their contributions have been recognised through numerous award nominations and the glowing feedback we've received from our clients.

To celebrate the year's achievements, we hosted our very first Christmas party for our clients and the local community, in collaboration with Rainbows Care Group, a local day centre.

Looking ahead to 2025, our mission remains clear: to continue enriching the lives of our clients while expanding our support for the community through various initiatives.

Our first Christmas party

This year, on December 9th, we hosted our very first Christmas party for our clients and the local community at the Jubilee Hall, in collaboration with Rainbow Care Group, a local day centre.

The event was a resounding success, bringing everyone together to enjoy delicious food, engaging games, festive singing, and plenty of holiday cheer!

"We were thrilled to host our Christmas Party with Sarah from The Rainbow Care Group and to be joined by so many of our clients and members of the community, along with Kyle Newman from Musical Memory Box whose contributions made the day even more special."

Alexander Bast-Boverhoff
Managing Director

The Rainbow Care Group provides day centres across Leicestershire, offering a engaging environment filled with cognitive stimulation and social interaction. Their tailored approach ensures every member participates in enjoyable activities, building new friendships whilst enjoying a hot meal and dessert.

What an amazing day we had at our Christmas party! It was a pleasure co-hosting with Alex and his team at Bridgewater Homecare, and we're already looking forward to doing it all again next year. A big thank you to Kyle at The Musical Memory Box for providing such fantastic entertainment!

Sarah Louise
Director

'Leicester Musical Memory Box delivers music based groups all around Leicestershire and Rutland, predominantly to people affected by dementia but also those affected by other health issues. Their skilled leaders use music, singing, physical, and cognitive activity to affect the wellbeing of all who attend. Music is a powerful tool that can be used to help anyone access memories, improve mood, boost confidence and wellbeing

A glimpse at our 2024

This year has been incredible, marked by the strengthening relationships between our Care Specialists and clients, as well as the joy of seeing our clients actively engaging with the community and enjoying themselves.

We've continued to foster a strong community spirit through various initiatives. These include visits to local schools, participating in faires and community support events, and annual Christmas contribution challenge for "The Well," a local charity in Kibworth.

Our fundraising efforts included supporting Mesothelioma research, hosting charity events like "Wear It Green for Mental Health," and organising a Macmillan Coffee Morning. Additionally, we proudly hosted our first Dementia Information Day and celebrated the festive season with our first Christmas party for the community.

What our clients say

This is our first time with private carers with my brother who, I have to be honest, was not keen on the idea! Now a month on, he is really happy to have them. The care they give is really lovely. They help him with everyday tasks and encourage him to still be independent which is important to him.

It's so reassuring to know that someone is going to come at the same time each day, and stay for the whole hour. He knows all the carers now and he is told who will be coming. It has taken a huge burden off myself and other friends and helpers.

Bridgewater Home Care live by their motto, "we go above and beyond". Frequent contact ensures a service that perfectly fits. Carefully matched carers feel like extended family. Asking for help from them becomes the first resource when their professionalism in dealing with a complicated care system is so welcome. As a primary carer, I am pleased to recommend Bridgewater most highly for their kind attention to all aspects of their service and for making us feel like we are special to them.
